CAMPION JESUIT HIGH SCHOOL
PRAIRIE DU CHIEN WISCONSIN

Our Theme . . .

What

transforms a boarding school from a cold cluster of buildings, from a routine of classes and homework and rules into a living, dynamic personality affecting our whole lives?

attracts 547 of us from 26 states and 9 foreign countries, unifying us into a single family?

inspires us to work in class, to cooperate generously in school activities, to fight courageously on athletic fields?

will bind us together in future years and draw us back as Alumni to renew happy memories?

finally, is shared by student and faculty member alike, making our school one of the finest Catholic residential schools in the country?

It Is School Spirit.

**We, the Senior Class of 1956,
Proudly and Affectionately
Salute
THE CAMPION SPIRIT**

1556

July 31

1956

We Dedicate . . .

In this 400th anniversary of Ignatius of Loyola's death, two scenes especially recall his greatness:

first, his conversion, when reading Christ's life, the wounded battle hero of Pampeluna heard the challenge to greater glory and service in the army of Christ the King;

second, his soldierly response, when kneeling before Mary his Queen he offered her his sword, symbol of past worldly ambitions.

To St. Ignatius, in whom shone brilliantly the qualities of the Champion Spirit, we dedicate our book. May we be inspired to imitate you, most manly and modern of Saints.

Source of the Champion Spirit . . .

"I Am With You All Days."

THE LIVING CHRIST
Whom Campion students
are privileged each
morning at Holy Mass
to adore as their God
and to receive as
their strengthening Food
in Holy Communion.

"My Flesh Is Real Food . . . He Who Eats My Flesh . . . Will Live . . ."

Its Qualities . . .

What goes into this Champion Spirit? What is its life story?

It comes into being by unselfish DEDICATION of faculty to students;

It is nurtured by a fervent LOVE OF GOD;

It matures in selfless COOPERATION in all school activities and effort that spells ACHIEVEMENT;

It is sustained by the proud LOYALTY of alumni and parents and friends;

It is preserved from death by happy MEMORIES;

It shines conspicuously in the COURAGE of athletes who give their best in practice as in the game.

But its greater glory is the LEADERSHIP of Seniors in whom rests the vitality of the Champion Spirit.

We hope through these pages that we have captured in picture and print the story of the Champion Spirit as we have enjoyed living it and have tried to measure up to it.

DEDICATION

Origin of the Campion Spirit... DEDICATION of faculty... Jesuit priests, scholastics, brothers... dedicate their time and interest... offer their talent and friendship... to their students... Here in the Sacrifice of the Mass... every early morning... each Jesuit son of Ignatius... finds his inspiration... to rededicate his life and efforts... to his students... to God's Greater Glory.

LOVE OF GOD

The priceless treasure... and the lasting benefit... of the Catholic campus ... are the opportunities... to express publicly... and the inspiration... to bring to maturity... our LOVE OF GOD ... The living Christ... our Friend in Chapel... our strengthening Food in Holy Communion... our Sacrifice at Mass... inviting shrines of Mary... young men praying the Rosary... here is the source... of the Campion Spirit.

...Sodality of Our Lady

Campion's Sodality is divided into three groups, Senior, Junior, and two-year Probation. Each group is subdivided into sections of 20 members under a Jesuit Moderator. Each section met weekly and was run entirely by Sodalist officers who planned each meeting in pre-meetings with Moderators. All Sodalists met together in February to plan Vocation Week and Ignatian year and to report progress.

Sodality year was marked by much activity. The first Sodality Day of Recollection in Campion history was enthusiastically received in October and another in December. Various Sodality sections planned colorful displays on Ignatius' life and influence to celebrate Ignatian year. A Vocation Week featured panels on priestly and religious life and on marriage.

Senior Sodality, moderated by Fr. Eagan and Mr. O'Connell, enjoyed success. Subjects presented by various Sodalists and discussed at weekly meetings were Catholic colleges, Church's Social Apostolate,

dating, drinking, marriage, family, Catholic press, entertainment. Successful projects were: Mass appreciation project in which Carey, Kellogg, Hinko, and Thompson spoke at all classes in school and Malone and Shingler sold daily missals; Ignatian novena at which nine Seniors gave talks to average attendance of 275; decent literature campaign led by McGill and Kellogg who staged panel discussions at three local high schools and over WPRE; probation project by seven Sodalists who personally instructed candidates.

Junior Sodality under Fr. Wiggins and Mr. Zuercher promoted school-wide devotion to Mary with candlelight Living Rosary. Most successful was Lenten Missionary project featuring weekly mission collection by classes, giant clothes drive, and catchy mission posters.

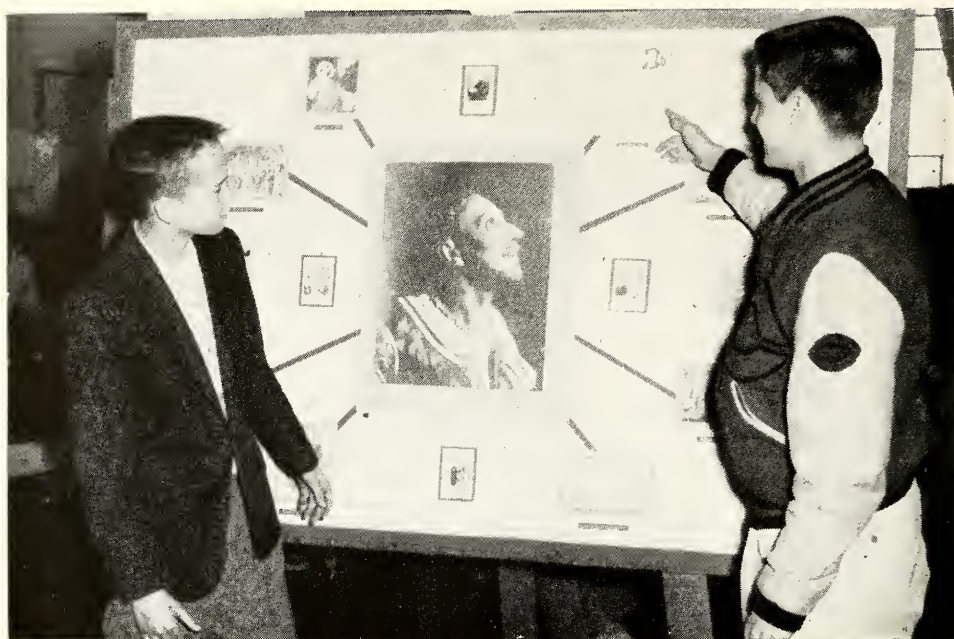

Probation groups learned Sodality living under Messrs. Walleman and Carey for Sophomores, and Savage, Scallon, and Schauz for Freshmen.

NOVENA TO ST. IGNATIUS

Each night after dinner before study hall from February 21 to 29 some 275 students could be seen hurrying from the dining hall to the Chapel. Reason? to ask favors of St. Ignatius and hear the Seniors give a sermon! Program consisted of five-minute talk and the novena prayers by Senior Sodalist and hymn "Thy Glorious Name Loyola," by the Quartet. Theme of the novena was "St. Ignatius, Today's Saint."

The choir sang difficult Masses at solemn functions throughout the school year, entertained the student body at Quarter Assemblies, and was in demand by various organizations in the area. On pages 90-91 the Choir is seen in action at radio studio WPRE as it was featured in a half-hour Christmas program.

The Student Council is the nerve center of the student body. At its meetings complaints, suggestions, and proposed rule-changes of the students are publicly aired. From the other view point, recommendations and requests of the faculty get an informal introduction to the group.

The council represents the students as thoroughly as possible. The class officers of each year and the leaders of all the major campus activities participate in the meetings.

At each informal meeting, guided by the senior class officers, suggestions presented by the students are discussed. If a workable solution does not result, a committee is formed to study the problem in detail and to explore it with a faculty member.

This year the council has discussed in detail the boarding school situation, the methods of attaining efficiency in school, and the possibility of instituting a work-

able honor system. Because of practical difficulties, no resolution was adopted.

As a result of these discussions the check in time of town pers was extended, privileges for seniors were acquired, and changes in the retreat schedule were adopted.

This organization is not merely one for voicing complaints. Its members are expected to take a personal responsibility in working for the school's betterment. One application of this responsibility is to lead the rest of the student body in care of campus and school property. The ultimate goal is to make the council more than a mere organization, but the moving force behind Campion's activities.

The officers of the council are Dan Carey, president; Jay Bachner, vice-president; Dave Vangen, secretary; and John Kellogg, treasurer. The moderator of the council is Fr. T. K. McKenney, S.J.

...*Monogram Club*

Of all the organizations on campus, the one which boasts the stiffest requirements for acceptance is the Monogram Club. For membership in this group, a student must letter in one of the major varsity sports: football, basketball, baseball, or track.

Letter winners with their white sweaters and red and black "C's" are familiar sights as ticket sellers and ushers at basketball games. They also referee league games and raise funds for varsity trips and letter sweaters. Theirs is the responsibility to wear their letters so as to bring honor to their school.

President of the club is Dan Carey; vice-president is Dave Vangen. The secretary, Chuck Thompson chose and directed the ushers and ticket sellers at the basketball games. Craig Maher represented the club on the Student Council. Fr. McCarthy, S.J., was faculty adviser.

Presents a

COLORAMIC-MUSICALE

OF
THE
CENTURIES

From
Bach *to* **Bop**

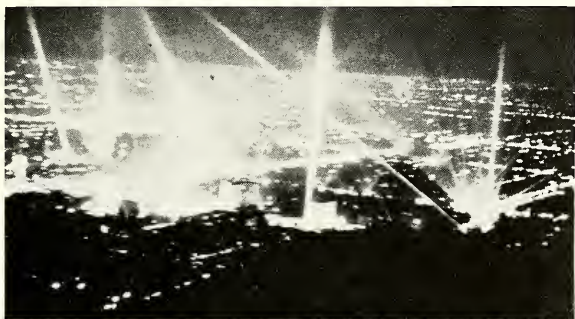

Coloramic Musicale, the entertainment treat of the year, performed before capacity crowds of 1500 in the gym May 3 and 5. Numbers were illustrated by 48 brilliant color-scenes and two motion picture films projected on a giant screen behind the stage. Prof. deRanitz climaxed his 17th year as Music Director by conceiving and directing the extravaganza.

Star of the program was Foley Horkheimer at the Hammond Organ. Highlights of his 20 solos were "Toccata in D" by Bach, "Song of India," Schubert's "Ave Maria", and the "Fire Dance". The 34 member concert Band, snappy in their white tuxedos, opened the program with a stirring symphonic band arrangement with three organs of "Carnival of Roses"; then later drew cheers for "Chata-noogie Shoe-Shine Boy". The Glee Club, directed by Mr. Scallon, S.J., performed bril-

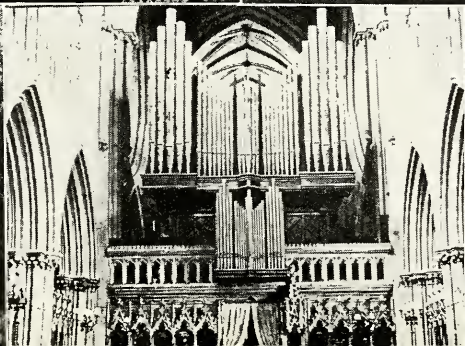

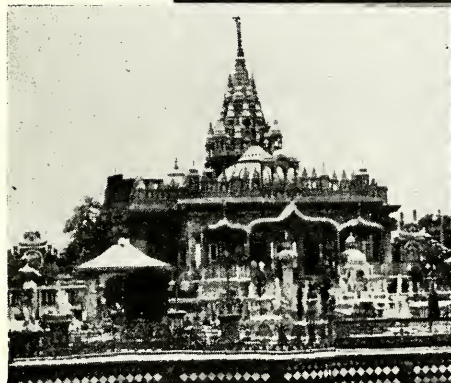

liantly in "Tu Es Petrus", and "The Battle Hymn of the Republic," and brought the house down with "Dry Bones". The nine-member Cubans were a crowd pleaser in their bright red sashes and Cuban straw hats as they did "Boogie Nightmare" and "The Mambo Jambo." The Hammond Organ Trio of John Barlow, James Bayley, and Foley Horkheimer accompanied both the Glee Club and the Concert Band in many numbers.

Spectacles of the evening were the combined cast performing 10 Victor Herbert favorites with a brilliant color backdrop and the Grand Finale of "America the Beautiful" when the curtain rose on the entire Glee Club and Concert Band plus an Organ Ensemble of seven Hammond Organs feeding into 21 tone-cabinets.

Warden Wiemer Tries to Strongarm Identity from Prisoner Bingham in "The Valiant"

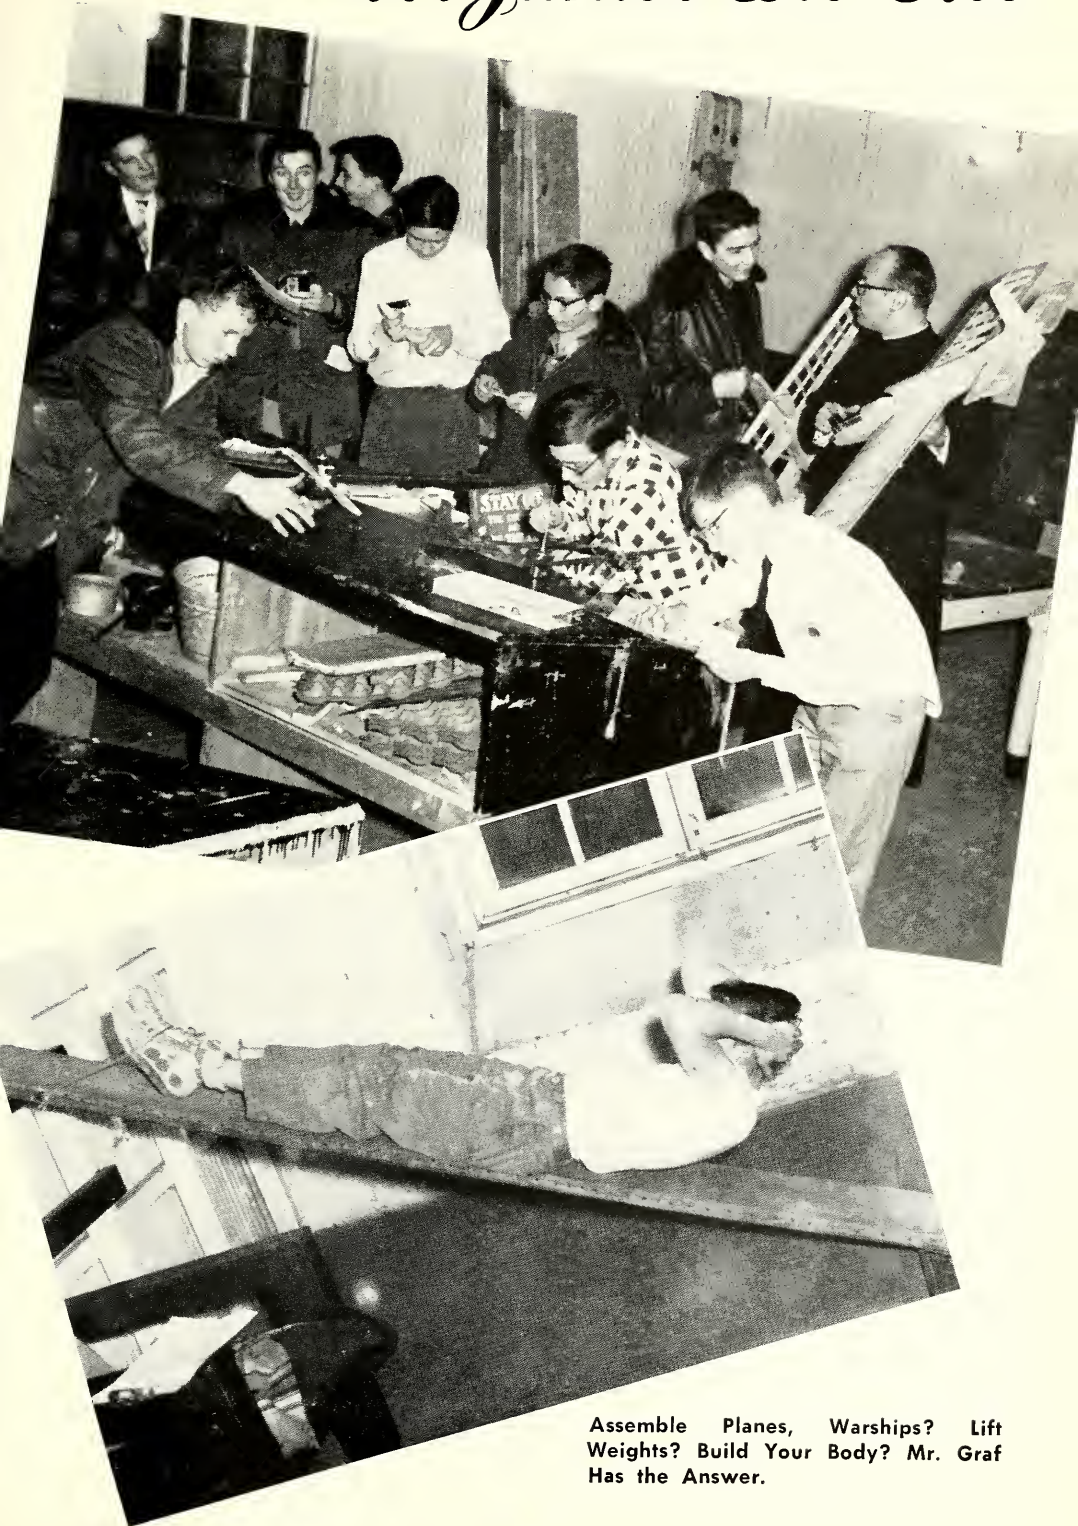

Under the direction of Fr. Higgins, Campion's disciples of Thespis produced two plays: the serious and moving "The Valiant," and the lighter and humorous "The Girl." "The Valiant" merited Campion's Masquers an "excellent" rating at the Regis play festival in Eau Claire while actor William Bingham received "superb" rating and supporting actors Jerry Scholl and John McGill "excellent" and "very good" respectively.

Mike Stevens, Mark McGargill, and Mike Dooley, the three-man cast in "The Girl" directed by Fr. Curran, turned out a college interpretation of a free-liver's frustration when betrayed by a friend. Oberg, and prop men Kerwin and Malloy were responsible for outstanding back-stage construction and layout.

... 'ette

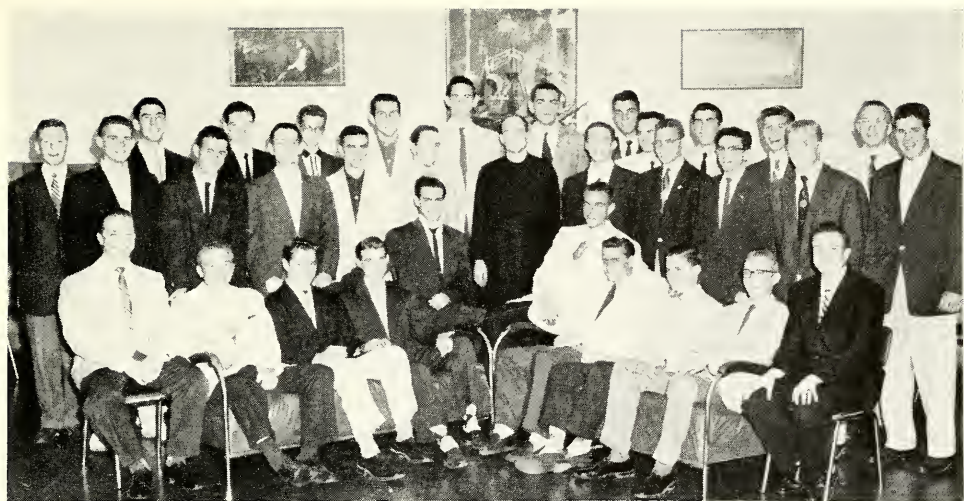

Fr. Millmann, S.J.

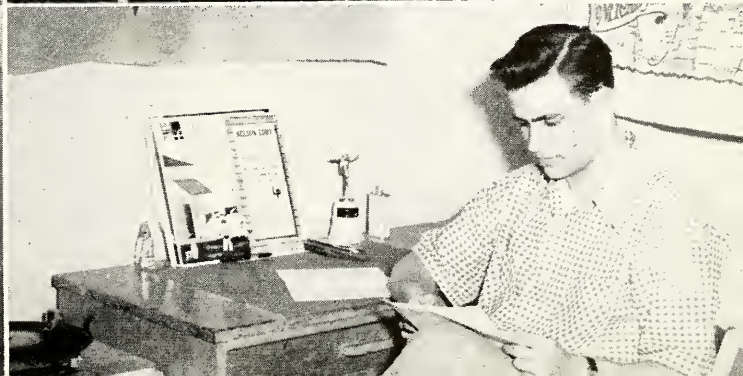

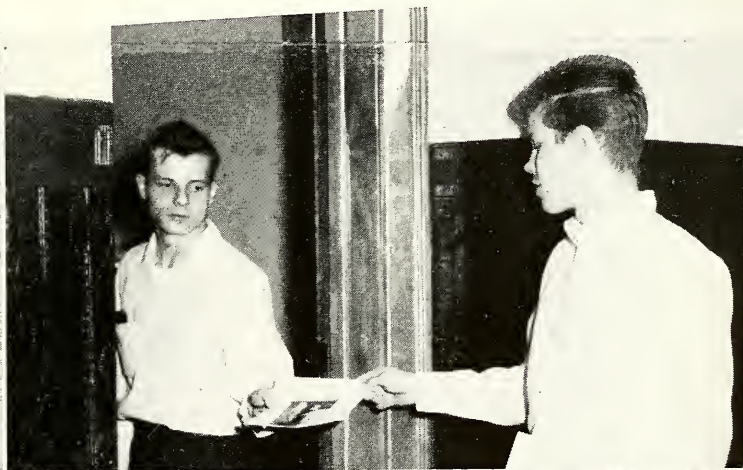

Every other Saturday night during the 8:30 study period, the 'ette circulation staff, led by Bud Kubistal, march jauntily through the study areas on campus tossing the shiny missiles in each desk and doorway. The forlorn outlook for the evening is immediately brightened as students eagerly scan pages for their name or picture. Yet few readers realize the behind-the-scenes activity for each 'ette.

The day after each issue Moderator Fr. Millmann and Editor Bob Freehill huddle to discuss campus news, features, pictures. Then Freehill whips out orange assignment pads and jots down subject and word length for his reporters. After the "long wait," copy rolls in; then editor and his efficiency experts Mark McGargill, Dave Miller, John Kellogg, Tom Tyler and Jack Barlow go into a two day seclusion with typewriter and pencil to proof read reams of copy and arrange the dummy. Then Saturday afternoon presses whir and another staff team effort is a reality.

...Knight

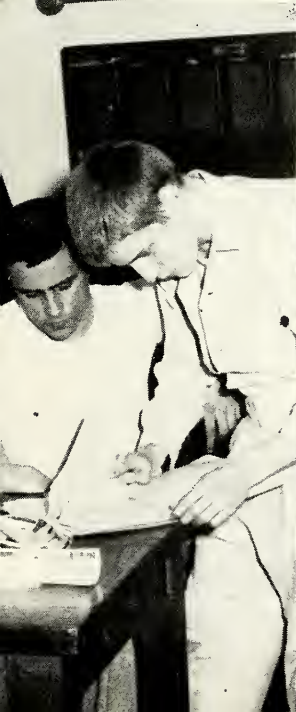

Gentle viewers, as you pause halfway through our masterpiece and query "**They** did this?" (or if you prefer "**They** did **this?**") consider the hectic life of a year-book staff rushing to its deadline.

The Knight room in late March: a throng of mills around table, attacks dummy with em-rule. Two haggard faces appear. One collapses. It's Jay Bachner, editor. Father Eagan and faithful fac-totum John Kellogg fight mountain of galley-proofs to revive him. No-Doz passes around; work continues. Jim Johnson and Dave Miller wrench their minds over sports while Dave Vangen splits his infinitives. Bob Weber slides slide-rule to make horizontal picture vertical. Meanwhile, Doc Malloy and Dan O'Neill exit to filch more typewriters as Paul Lang ponders "Activities." Ty Cashman and Tom Jostes count their monetary blessings.

Then one May day our pain turns to joy that one more Campion Knight is brought into the world.

Fr. Eagan, S.J.

Mr. Savage, S.J., Vangen, Lang, Hilbert, Bachner, Morgan, Kellogg. Members of club met weekly to discuss authors from Plato to Paton. Some works discussed were Sophocles' Theban plays, Marquand's "Sincerely Willis Wayde," "Two Late the Phalarope." They study theme, style, and historical background or just chit-chat.

Elocution Winners, Scalise and Gay

Freshman and sophomore elocution contest on March 6 climaxed a month of eliminations with Thomas Gay, Harding Rhodes, John Cowgill, and William Larkin the four freshman finalists and Joel Sinkule, William Joyce, William Baldwin, and Thomas Scalise representing the sophomores. Winners were Gay with his humorous "Little 'Erbert" and Scalise who recreated the dramatic "Trial of Robespierre."

To celebrate the Ignatian year, the upperclass oratory contest April 16 was on the life and influence of St. Ignatius. Finalists were Juniors Maurice Lord, Joseph Marlovits, and Thomas Woerth and Seniors Guillermo Guemez, David Vangen, and Paul Weber. Woerth, who spoke on "My Friend—John Berchmans," and Vangen, who eulogized "Men of Ignatius—the Jesuit Brothers," were the winners.

... Art & Poster Club

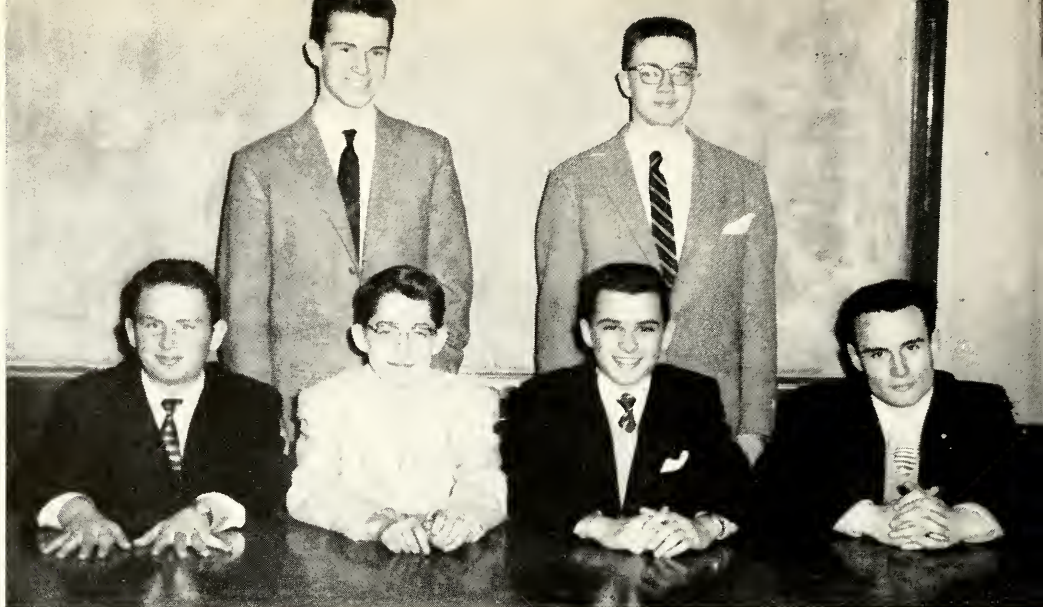

The Art and Poster Club is a talent-studded organization with a dual purpose: to produce eye-appealing posters publicizing school events and to create works of craftsmanship for extracurricular "specials" on the school calendar. Mr. Martin, S.J., lends his own magic imagination and skill in guiding these artisans.

The first major project undertaken was decorating the campus for Homecoming Weekend. A 12-foot silver Champion Knight was constructed overlooking the football field. The gym was transformed for the carnival; the clubroom sported a giant pumpkin cloak room and Halloween mood.

Next major project was the month long work on medieval shields and swords and the creation of medieval castle for the Military Ball. The last task was constructing the stage for the Coloramic Musical.

Cashman Drives Point Home

If one had wandered down the corridor of third floor Campion Hall during the winter months he would have noticed the activity stemming from Fr. Grennan's room, for this was the home base of the Bellarmine Society. Here the debate men investigated the negative and affirmative sides of this year's proposition as to whether the government should subsidize college courses for qualifying high school seniors.

On the varsity squad and particularly concerned with the affirmative side were Senior Ty Cashman and Sophs Tom Murphy and Terry Anderson. Investigating the negative position were Senior Ben Hilbert and Sophs Mike Cummings and Dick Stark.

The debates this year took the Varsity squad to Janesville, Milwaukee, Eau Claire, LaCrosse, Richland

The debate squad was divided into A and B teams. Affirmative A team was made up of first speaker Cummings and second speaker Hilbert while the negative A team consisted of first speaker Cashman and second speaker Murphy. In the B team outstanding speakers were Stark on affirmative and Anderson negative.

All members of the A and B were awarded National Forensic League certificates of merit.

.... *Music Appreciation*

Every Sunday afternoon at 5:00 some 30 spirited Campion youths make their way to the clubroom and suddenly are transformed into a subdued group. It is the weekly meeting of the Music Appreciation Group moderated by Mr. D. A. Zerkel, S.J.

The Music Appreciation Group is an organization devoted to training its members to enjoy and appreciate finer works of music and to give a brief background for the music which is to be played during each session.

A typical meeting begins with a member reporting on the life and person of the composer chosen for the meeting and on some of his more important compositions. Then the piece itself is analyzed. After this introduction the Hi-Fi is turned on while the members relax imbibing the classical strains.

Campion's Hammond Organ Society, a chapter of the international organization, meets bi-weekly to hear recital pieces played by its members, and to discuss the theory and history of music. The president of the group is virtuoso Foley Horkheimer; the secretary, Joel Sinkule; the treasurer, James Bayley. Professor deRanitz is the moderator, expert instructor, and inspiration of the group.

The largest undertaking of the society this year was its participation in the spectacular Coloramic Musicale. The gigantic affair was originated, produced, and directed by Professor deRanitz, aided by Foley Horkheimer.

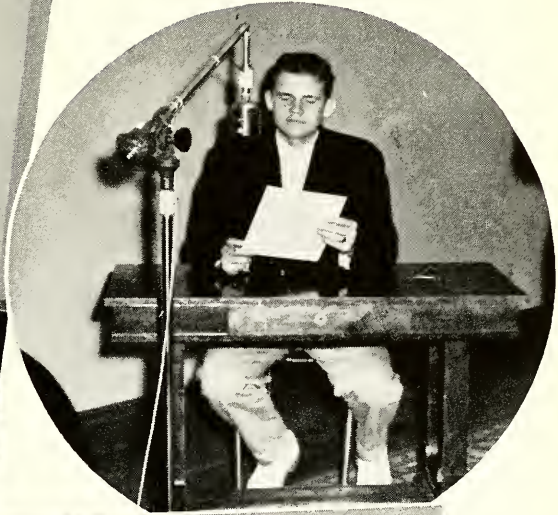

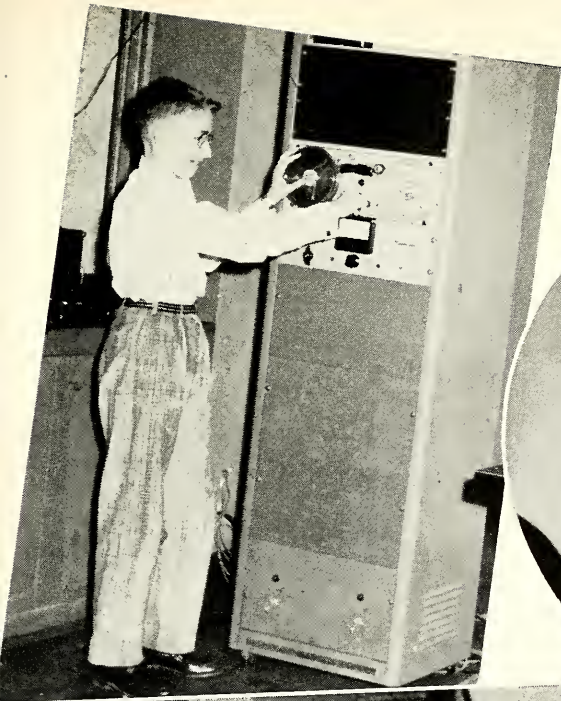

Also this year the Society staged one of the more festive get-togethers on the campus—its annual party. The gala occasion was high-lighted by a dinner prepared by Mrs. deRanitz and a movie.

...R.O.T.C.

Reserve Officers Training Corps, better known as ROTC to the Campion students who form on the drill field each Monday, is perhaps the most remembered institution at Campion. The blast of the bugle and the brisk morning air chasing sleep from the bleary-eyed cadets at reveille and the eternal commands of "left face," "right face" at drill are distinctive features of the program.

The Battalion consists of four companies commanded by Cadet Lt. Col. Paul Weber. Majors Dan Carey, Larry Wiemer, and Bernie Denker assisted Paul in getting the companies into shape, inspecting them, and seeing that the officers commanded their platoons properly. Grades, demerits, and other Army triple carbons were given to Major Denker to keep in order.

To the company commanders fell the

responsibility of coordinating four platoons into an orderly unit. Capt. Thompson held the somewhat taxing post of A company commander. First Sgt. Tanber and company executive officer Lt. Hilbert relieved him of some of the burden. B company was presided over by Capt. Mennella. Lt. Jostes and First Sgt. Tyler assisted in keeping the Sophomores in line. The lot of the freshman was in the hands of Capt. Metzger. First Sgt. Burke and Lt. Mellies shared the task of instilling in the frosh of C company a martial spirit. The Marching Band is commanded by Capt. Freehill.

Professional advice and guidance is administered by Capt. Riddlemoser, PMS&T, and M/Sgt's Zenz, Trossen, and Pinard. These men taught the classes, handled the paperwork, and supervised the entire military program.

... Drill Team

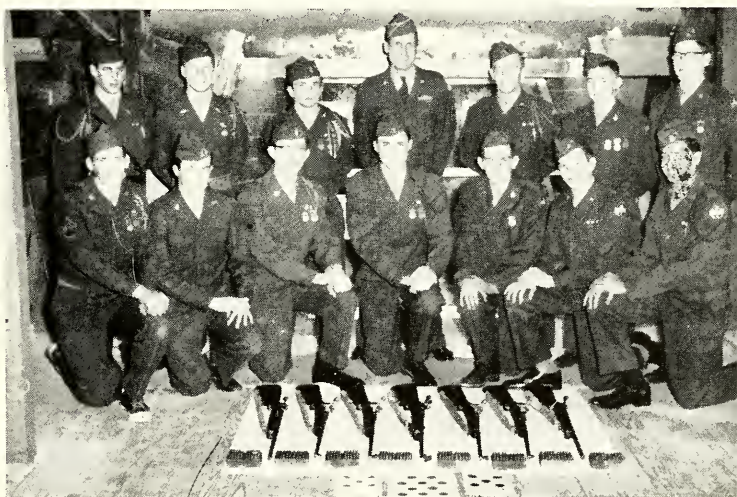

...*Band*

The Band and Drill Team have appeared together in various events of the school year and command performances in Iowa and Wisconsin. The Homecoming crowd witnessed their exhibition during halftime. Campion's contingent participated in the Armistic Day program at Monona, Iowa. They also performed in a parade marking the dedication of the new bridge in Prairie. Their final performance was played before the visiting mothers as part of the annual Mother's Day program.

The Band is commanded by Cadet Capt. Freehill and directed by Prof. deRanitz. Cadet Lt. Col. Paul Weber is responsible for coordinating the drill team while Capt. Riddlemoser assists in applying the spit-and-polish appearance.

The Rifle Team under the supervision of Sgt. Pinard placed 75th out of 200 in the William Randolph Hearst Match. While winning over Bradford High of Kenosha and St. Norbert's of West DePere, Wis., it lost to Calumet High School, Calumet, Michigan, and East High in Rockford, Illinois. CAMPION 27-13 ASSUMPTION

The Knights opened their season against Assumption of Wisconsin Rapids by overcoming the Royals 27-13. After a scoreless first quarter, quarterback Johnson hit Thompson with a 20 yd. pass for the first TD. Carey plowed over for the extra point. After another Johnson pass set up the Knights, Carey rolled over, but the EP failed. Assumption countered to make the score at the half 13-6, Campion. In the third period the Royals tied it up; however, Dunn's end sweep and Maher's EP., followed by Carey's 50 yd. run and another EP., made the final score 27-13.

CAMPION 35-0 COLUMBUS

For the second game Campion played host to Columbus of Marshfield and routed them 35-0. In the first quarter Maher and Drangle combined for seven points. Erb skirted for 50 yds. in the second period to make the score 13-0. Carey added the conversion. In the third quarter Thompson skipped 5 yds. for the Knights' score. Carey again converted. Thompson snared a pass in the fourth period for another tally. Johnson added the extra point. Johnson later hit Hinko for the final TD after which Steber added the extra point to make the final score 35-0.

CAMPION 7-12 DON BOSCO

On Sept. 24, Campion met Don Bosco of Milwaukee. This was heralded as the best game of the Knights' season since the outcome was on the line until the last seconds. Bosco scored first from the seven but missed the EP. The Knights countered with a pass to Meyer. Johnson swept the end for the conversion. In the third quarter after being held for two plays on the one foot line, the Dons went over. The EP. failed. The fourth quarter went scoreless thus making the final 12-7.

CAMPION 13-28 LORAS

The Knights, with the entire senior class, traveled to Dubuque to meet the Loras Gubs. After a scoreless first quarter Campion opened the second as Thompson snagged a beautiful 40-yd. floater pass from Johnson for the TD. Johnson converted. Loras then racked up a TD and PAT. The third period was scoreless but Loras scored to open the fourth and Maher retaliated to bring Campion to a 14-13 deficit. But the Gubs ran the kick-off back for a TD and recovered a Knight fumble for another score to clinch the game.

CAMPION 20-13 CENTRAL

In their fifth game the Knights were Central's homecoming opponents. Central scored first in the second period and added the PAT. Campion came back on a 15-yd. end-around by Ed Hinko but Steber's kick was blocked. Half ended 7-6. Campion roared back in the third period when Maher broke through center for an 85-yd. run and Steber converted. Undaunted by Central's retaliatory TD, late in the fourth period the Knights rolled to the 14 where Johnson hit Dunn in the end zone to close a thrilling come-from-behind victory.

CAMPION 20-20 AQUINAS

With the largest homecoming crowd in history in attendance, the Knights met Aquinas of La Crosse. In the first period Johnson passed to Drangle for the first TD. Steber converted. In the second period, Aquinas recovered a fumble and passed for a score as the half ended 7-7. Then, with two minutes to go and down seven points, Campion took the kickoff after a final Aquinas TD, moved up to midfield from where Maher snagged a well-executed screen pass and ran 40-yds. for the tying TD. The extra point failed ending a thrilling 20-20 game.

CAMPION 7-0 LOURDES

Campion travelled to Rochester, Minnesota, for an afternoon game with Lourdes. A blanket of snow which soon turned to slush kept the scoring down during the first half. Fumbles by Lourdes stifled their scoring attempts while the Knights were unable to drive very far into enemy territory. After three quarters of a see-saw battle a series of power plays by Carey and newly-turned fullback Wiemer brought the ball to the eight from where Maher drove into the end zone.

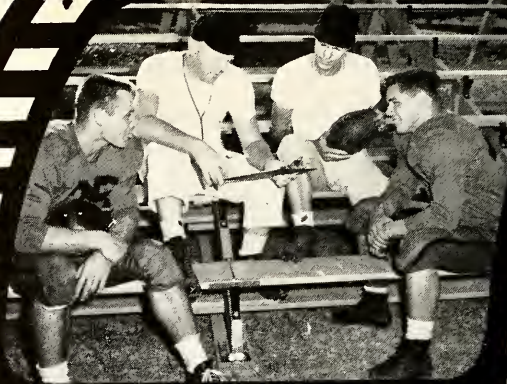

CAMPION 6-48 ST. AMBROSE

November 4 was the date on which the Knights met and were overpowered in Davenport's Municipal Stadium by Iowa's No. 2 team, St. Ambrose. The first period was hardly underway before Ambrose scored twice. Then in the second quarter they added three more TD's and conversions to lead 35-0 at half. In the third quarter Campion held but were unable to score. Finally, in the fourth quarter Johnson threw a 40-yd. pass to Hinko who cut to the left and raced through the Ambrose team to score and avoid a shutout.

CAMPION 13-21 MOLINE

For the finale Campion journeyed to Moline. The Knights seemed overawed by Moline's tremendous weight advantage and yielded an early touchdown. But then they gained confidence as Thompson, Maher, and Carey gained consistently through the heavy line on quick-openers and scored on a Johnson sneak. Moline scored again to end the half at 14-6. Campion then mixed line slants and passes to come to 14-13 but Moline recovered a fumble and passed for TD. The Knights drove from their two to the Moline 15 as the game ended. Campion's all-senior backfield bowed out by racking up 15 first downs to Moline's nine.

Captain Harris

Under the scrutinizing eye of Mr. Carey, S.J., and the whip of Bob Brand, senior coach, the JV's launched themselves into a season of two wins, three losses.

The backfield was made up of quarterbacks Jerry Keifer and Ed Gormley with Doug Miller and Joe Lecher at halves, and thundering John Powers at full. At ends Tim Oskins and Al Smith proved expert pass receivers. Denny Brennan and Art Harris filled the tackle slots, and Neil Panther, Peter Werner, and Bill Baldwin

alternated in the guard positions. Terry Anderson at center rounded out the line. Bob Wickham as defensive linebacker stopped many an opponent ball-carrier.

Prairie fell first victim of the JV squad with Joe Lecher starring in a 14-0 victory. The next two games were last minute losses to arch-rival Loras by one touch-down margins, 13-6 and 13-7. Central dealt the JV's their third loss, 13-0, as Gaber starred on defense. In the finale the JV's defeated Prairie 20-0.

A-1 **Members of Thiede's A-1 Trophy Winning Team:** **Front Row,** Miller, R. Weber, Frost, J. J. Gaffney, Valiulis. **Top Row,** Bongiorno, Day, Gehred, Brown, McGill. With Bob Weber's inspiring quarterbacking and the hard running of Bongiorno, Hilbert, and Day the team was unstoppable with an 8-0 record. The forward wall composed of such stalwarts as McGill, J. J. Gaffney, Miller, and Frost moved all opposition, even Malloy, with ease. Standouts for the other teams were Sullivan, Bachner, Chevigny, Jagos, McKenna and Brand.

A-2 **Members of Sulier's A-2 Winning Team:** **Front Row,** Valeri, Mascari, Muscarello, Madda, Domenech, Dries. **Top Row,** Groseth, Feeley, Herman, Dodge, Wabbick, Anderson. Sulier's team came out victorious but not unscathed as it defeated Ridzon in the play-off game. The quarterback position was placed in the able hands of Dries while Domenech assisted him in the backfield. Up front it was Muscarello, Valeri, and Madda trampling the opposition. Formidable opponents led by Kraman and Remien were unable to stop this hustling ball club.

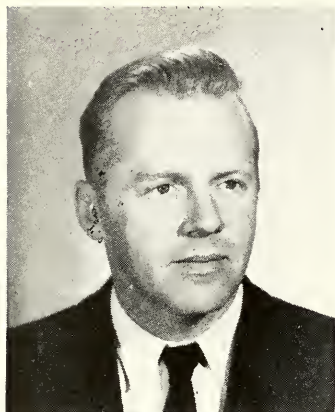

A-3 Members of Ridzon's A-3 Victors: **Front Row**, Bahl, Worth, Rothchild, Gardner, Doyle, Eng, W. Maloney. **Top Row**, Hickey, Newton, Haas, Lenz, Lyons, Curphy, Harrington. Stars of this undefeated contingent were Doyle, Maloney, Newton, and Sheen in the backfield.

Front Row, Metzger, Pluemer, Wilhelmi, Scanlon. **2nd Row**, Lynch, Flanagan, Gitzinger, Geisler, Hackett. **Top Row**, Flynn, Shouplin, Broghammer, M. Pfab. Jr. Div. leagues were divided into three sections according to size and ability. Winner of A league was Gitzinger with Pfab top challenger. McBride and Zahora stood out for the winners. In B league Flanagan's team, anchored by Burke and Bautsch, swept all opposition for the title. Geisler coped the C league trophy sparked by Moffitt, Stark, and Fahey. Most valuable player was Pluemer of C league with Mel Pfab and Morel best in A and B leagues.

Coach Peterson Outlines Strategy Prior To Cotter Trouncing

CAMPION'S 1955-56 BASKETBALL SQUAD
 Kneeling, White, Dunn, Captain Crooks, Tate, Hinko. Stand-

ing, Meyer, Chevigny, Gill, Valiulis, Bosch, Mgr. Kay, O'Beirne, Coach Peterson, Oskins, Dean, Flynn, Drangle, Maloney.

Capt. Crooks Hooks

St. John's 56—Campion 53. For the opener, the Knights met St. John's of Milwaukee. Experience in two games allowed St. John's to take a 24-22 halftime lead. With a second to play in the game, Captain Terry Crooks sank a push shot to tie. The first overtime ended tied, but St. John's won by three in the second.

Don Bosco 49—Campion 45. The following night Campion battled another strong Milwaukee foe, Don Bosco. The Dons gained a slim 23-19 lead at the half, though pushed hard by Hinko and Tate. Even though the Knights fought a hard battle throughout the second half they were unable to gain the lead.

Campion 65—Lancaster 53. The twice-defeated Knights played the Lancaster Flying Arrows. Although the Campion squad was a little ragged in their shooting during the first half, they made up for it by snaring nearly every rebound. In the final period of play they found the hoop and came out with a 65-53 victory. Crooks and Dunn led the attack.

Loras 65—Campion 58. The sharp rivalry of Campion and Loras came to a head when the two clubs met at Campion. The Knights led all during the first half, but a fatal third quarter slump put them behind. The six-point halftime lead vanished and the Gubs won by seven, even though Crooks poured in three baskets in the last minute.

Phil Dunn Gets Victory Ride After Augustine Win

Dunn, Good for 20 Points

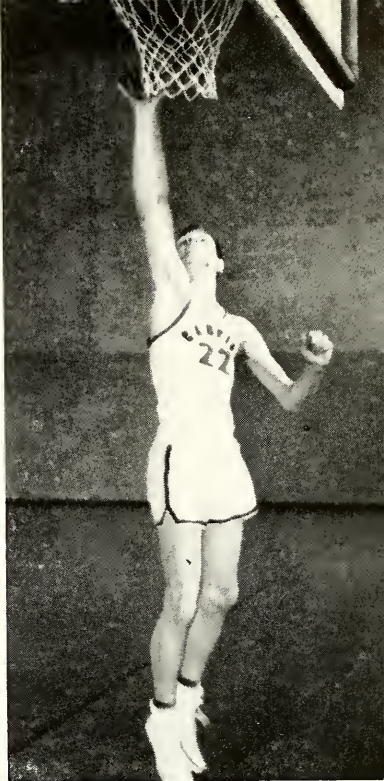

Campion 62—Cotter 50. Though out-rebounded and out-scored from the floor, the Knights were victorious over Cotter. Twenty-two free throws made kept a slim margin for three quarters when Campion pulled ahead on the fine shooting of Dunn and Crooks who had 20 and 19 points respectively.

St. Ambrose 69—Campion 43. Out-classed and out-played from the very beginning, the Knights went down in defeat to the Iowa basketball masters. Nothing in the book seemed to work against this club. The Knights were entirely out of this game. Since Ambrose was one of the top teams in Iowa, the 26 point defeat was understandable to some.

Campion 80—Mar-Mac 63. Wreaking vengeance for the Ambrose defeat, the Knights blasted Mar-Mac with an 80 point barrage. Tate and Hinko dumped in 17 and 13 points respectively in the season's highest-scoring game. Mar-Mac couldn't even cope with the second string when the regulars were given rest.

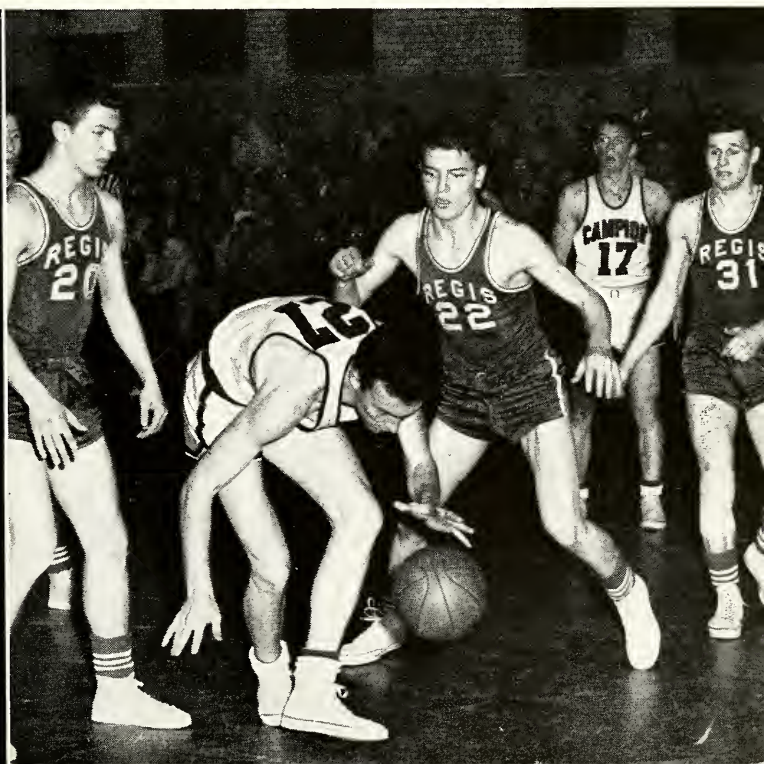

Regis 60—Campion 55. Resuming competition after the Christmas recess, the Knights met Regis. At the end of the first quarter the Knights trailed 18-4 but came to life in the second half and with a great stretch rally managed to tie the score in the final minutes of play, 53-53. But Regis went on to win in the overtime by seven points.

Bosch, Valuable Soph

Hinko, Rugged Rebounder

Crooks Acrobats out of Danger as Hobbes Grimaces

Campion 72—Aquinas 54. In the fastest and finest game played to date, the Knights smothered Aquinas. Height and red-hot shooting were the deciding factors. "Moose" Hinko, high jumping forward, and Mike Bosch snared rebound after rebound to dominate the boards, accounting for Campion's 18 point victory.

St. Augustine 49—Campion 40. As the Augustine game progressed, Campion found the atmosphere growing pallid. Determined to shatter an eight point halftime buffering, the Knights resorted to controlled ball. Even though Mike White dumped in a series of lay-ups, the Campion five again saw defeat at the hands of a high-spirited opponent.

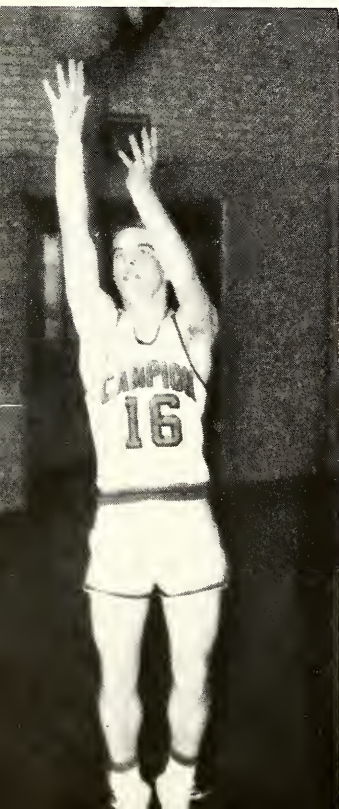

McDonnell 72—Campion 67. For four quarters and one overtime, the Knights matched the McDonnell squad evenly despite their fancy court play and the deft shooting of Martineau with 37 pts. In the second extra period, McDonnell staged a seven point scoring spurt while the Knights sunk but one field goal.

Campion 63—Cotter 52. Fed up with previous losses the Knights determined to bring home a win over Cotter and they did. All five starters shared the scoring, each reaching the two-digit column. With Crooks leading in counters and Hinko stealing the ball, it was an easy victory.

Maloney, Finest Asset

Tate, Scrappy Forward

Loras 60—Campion 59. With a full house of seniors, Campion met Loras at Dubuque. In the first half the Gubs and Knights matched points. Then, after an 11 point trouncing in the fated third, Campion steamed to within one point of victory in a hectic fourth quarter.

St. Ambrose 82—Campion 38. Once again the Campion five entered into the clutches of St. Ambrose. The fact that Ambrose was then the number two team in Iowa seemed to pacify most of the spectators. From start to finish Ambrose kept things well in hand, casually dumping in shots from all over the court.

Assumption 61—Campion 56. After travelling 150 miles to Wisconsin Rapids, the Knights weren't much of a threat for long. The Rapids boys grabbed the lead by halftime and held the Campion quintet at bay till time ran out. Crooks swished for a hot 16 and Dunn totaled 12.

Campion 59—McDonnell 45. On Tuesday, Feb. 14, the Knights played the first doubleheader in school history, due to a schedule mixup. Campion avenged an earlier McDonnell defeat by a 14-point win. The game marked the return of Jim Maloney who scored 13 points and held McDonnell's high-scoring guard to three baskets.

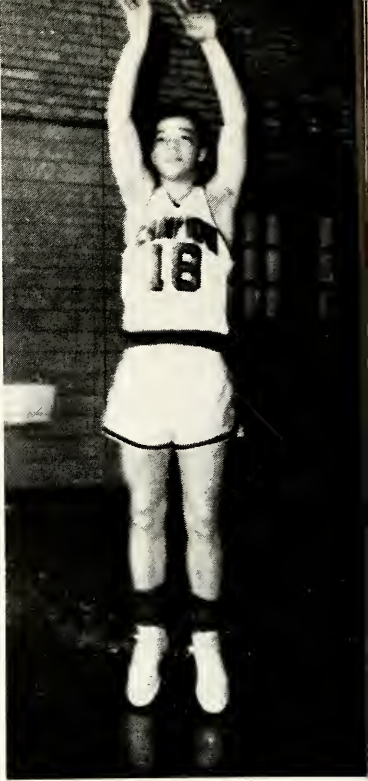

Garnavillo 45—Campion 43. The nightcap of the twin-bill saw the tired Campion boys defeated by a last second jump shot made by the cool No. 8 Iowa team. Phil Dunn led in scoring, but it was the clutch shooting of Jim Maloney and the fine defensive job by Terry Crooks that kept the Knights in the ball game.

Aquinas 83—Campion 61. With a state tournament berth at stake for them, a charged Aquinas team put together a red hot first half and plenty of hustle and clever ball handling to avenge an earlier 18 point defeat. Maloney and Gill starred for Campion.

Campion 55—Platteville 49. The Knights entertained Wisconsin's number six ranked team and sent them home with a sound 55-49 trouncing. Jim Maloney again turned in a fine defensive game. His 13 points were exceeded only by Crooks' 14 and Dunn's 16. The big factor in the Knight's victory was fine rebounding control.

Campion 56—Regis 55. The final game of the season showed the true color of the basketball team. Campion payed no attention to the press clippings of the tournament-bound Ramblers to out-fight and out-shoot them for a thrilling 56-55 victory. "Moose" Hinko's four last minute free throws iced the game though credit for the win goes to Coach Peterson's well-planned defense.

Miller Screens for Jump-Shot Artist Gormley; Grim Shows His Form

The Junior Varsity had a very successful season this year under the coaching of Mr. Costello. Spirit of team play and desire to win were the major factors in bowling over their opponents to the tune of 20 wins and 8 losses. Credit should be given to the boys who contributed to this outstanding record.

Doug Miller, as captain displayed good leadership and play. More than once he swished a timely bucket to win the game. Ed Gormley, averaging over 20 points a game, was the big scoring weapon this year. Doug Grim was the playmaker of the squad and a standout on defense. Al Smith, the shifty forward, continually hit the double figure column using a deadly jump shot and a big hook. Terry Bussan, the tall man on the team, was a major help in the rebounding situation. Al Ramacciotti, Bob Dickenson, and Tom James filled out the vacancies of the sophomores.

The frosh sported fine ball players with Bill Lennartz, Jerry Kuchenbecker, Dave Kramer, Den Walsh, Ken Carters, and Jay

Lauterbach rounding out the squad.

Ted Lownik and Tim Wolohan are to be thanked for a fine job of managing.

The team began the season with wins over Potosi and the Prairie B team. Next the JV's came up against a sharp Loras team but came through as Miller sank a last second bucket from 30 feet to win, 49-47. The first loss came when the JV's journeyed to Guttenberg. Score was 67-62. In the following game, the Bagley A team eked out a win in an overtime 68-65.

The frosh defeated the MarMac B team 49-48 in the next contest when Jerry Kuchenbecker shot in desperation just as the buzzer sounded. Two more easy wins over Aquinas and Bloomington, and they suffered their third loss at the hands of Garnavillo 46-38.

With the addition of John Valuilis and Tim Oskins from the varsity, the JV's soared to new heights downing a highly rated Platteville team 72-54. The JV's wound up a superb season by crushing Potosi 77-51.

Junior Division basketball leagues enjoyed spirited play and a most successful season under Mr. Savage, S.J., who shuffled players according to ability to come up with a balanced league.

In A league McMahon breezed to the championship with a 11-1 record. Top players were Flynn, Chatel, and McMahon.

B league saw a close race right down the wire with Kearns' 12-2 record squeaking by Fraunenfelder's quintet who had 10-3. Kearns, Bullock, and Fraunenfelder were the best in B league which proved to have the stiffest competition.

Glinski's team with a 12-1 won and lost record, the best in all three leagues, won C league. Kunch and Lehman sparked the winners.

... Midgets

Though organized late in the season, the Midgets enjoyed a successful 8-1 record. They took the title of a "Little League" in Prairie du Chien, defeating the eighth-grade teams of St. John's and St. Gabriel's twice each, and of Prairie High once, and winning the finals against the all-stars of these three schools in a night game at Prairie Gym. Their most closely contested games were the B Squad of Lansing High whom they defeated and with the eighth grade of Marmac, whom they beat at home but lost to in a rematch on the Marmac floor. All the Midgets played considerable amount of game time. Sharpshooters were McMahon and Rink; outstanding for floor play were Pleumer and Bullock. Bill Lennartz was coach and Mr. Savage was organizer and director.

Returning Lettermen: Maher, Bachner, Thompson, Kellogg, Hinko, Vangen, Nelson.

Campion's Cindermen started their season with seven returning lettermen. But track captain Ed Hinko and veteran Craig Maher, who between them made almost a third of Campion's points last season and had 11 of 26 individual first places, headed a list of 12 point-makers back for Coach Ralph Costello's second season.

"Moose" Hinko was kingpin for the Knights, competing in the high-jump, broad-jump, discus, and the 100 yard dash. Rugged Craig Maher, after his third letter, spread his talents over the 100 yard dash, broad jump, shot-put, and the discus. Low hurdler was Chuck Thompson; and Jim Maloney, Paul Weber, and Tim Kelly vied for honors in the highs. Paul also starred in the high jump. Jim Ul-

As the 1956 Campion baseball season opened, Coach Peterson looked to five returning lettermen to carry the squad through home-and-home series with old rivals Loras of Dubuque and Logan, Central, and Aquinas of La Crosse. Three outstanding players, Bob Beaton, Frank Brown, and Bruce Drangle gave promise of a solid hitting and fielding outfield. Bud Dunn returned to control the situation very adequately at short stop while Jim Johnson, in his third year as varsity catcher, gave much experience behind the plate.

Hopeful candidates up from last year's J.V. squad are Tom Gill for pitcher, Ed Gormley at short, Dai Dries at third, Carl Nigro at first, Bob Brand as catcher, and Mike Meissner, George Burbach, Vic Domenech and Jim O'Kane in the outfield.

Fr. Aspenleiter Speaks at a Monthly Meeting

Energy and unselfishness best describe the Chicago Mothers' Club. The dynamic leadership of Mrs. B. H. Jostes featured well-attended meetings and ambitious projects.

First project was the Homecoming Carnival for which the Mothers' ingenuity provided many prizes and their salesmanship netted over \$5,000. In January the South Side Mothers staged a giant Bingo Party which cleared over \$2,000. The Spring Style Show was its usual success.

When graduation comes for their sons, many mothers become active members of the Alumni Mothers' Club, an energetic group under the loyal presidency of Mrs. E. J. Welch.

The purpose of all Campion Clubs is fourfold: social, to promote friendly association among parents and with the faculty; instructional, to provide monthly programs to inform parents about their son's training; promotional, to attract excellent students to Campion; and financial, to stage projects to finance needed school improvements.

MEMORIES

In years to come... what now we know so well... will fade away... the names and faces... that daily routine... our feelings... and all those little things...
